

Gifts of Life Insurance

How It Works

- You can provide now for a future gift to Clay Art Center by naming us owner and beneficiary of a life insurance policy.
- You make annual gifts to Clay Art Center in the amount of the premium payments.
- When the policy matures, the proceeds are paid to Clay Art Center, and we apply them to the program you have designated.

Benefits

- You can make a significant gift from income instead of capital.
- Your gifts offsetting our premium payments are fully deductible.
- You build our future financial strength.
